### Non-Traditional Scholarship Recipients

Karen Keller, Valentine  
Ronelle Kilmer, Valentine  
Kami Ormesher, Valentine  
Linda Ramos, Valentine  
Janell Stoeger, Valentine

### Scholarship Applications

Sandhills Area Foundation has given over \$300,000 in high school, college and non-traditional student scholarships and grants from its inception fifteen years ago. The Foundation is proud of its continuing gifting for educational studies and ultimately student recipients reaching their educational goals. Through Frank and Shirley Sibert's donations many non-profit entities in the entire area are given grants. We are proud of over 230 members, monetary gifts in memorials or larger contributors who understand that "we must give back as others have done for us". Each and every amount is sincerely appreciated and invested carefully and prudently to reach the maximum amount of return, but with safety always in mind. The Sandhills Area Foundation can award "only interest earned" in endowed funds.

2012 Sandhills Area Foundation scholarships and scholarship guidelines are available online. Scholarships can be accessed on the Sandhills Area Foundation website at [www.sandhillsareafoundation.com](http://www.sandhillsareafoundation.com).

Applicants must be a resident of Cherry County or any student enrolled in a Cherry County high school. Scholarships are available for graduating high school seniors, students currently attending college, or vocational school, or non-traditional students pursuing additional education.

Candidates must meet certain criteria for the scholarship they are applying for and complete the application correctly and in its entirety. The Sandhills Area Foundation is proud to support their community with these scholarship opportunities and encourage all that are interested to apply. For further information, please feel free to contact Katie O'Kief at [scholarships@sandhillsareafoundation.com](mailto:scholarships@sandhillsareafoundation.com).
