

Ted Weldon Memorial Scholarship

Ted Weldon was a teacher and coach at Valentine High School from 1958 to 1965. Throughout this period, Ted Weldon consistently demonstrated his conscientiousness and commitment to the students of Valentine High School. He had a genuine concern for the growth and development of all students, not just athletes.

He is remembered as both an outstanding teacher and coach who had a profound influence on all students during his tenure at Valentine High School. Not only did he develop winning football teams, he developed the character of the students who had the good fortune to be a part of his life.

His former students and players have instituted this scholarship, with the support of Ted's family, to benefit a student athlete at Valentine High School.
